

THUNDER CLIMBER

S-12401-R5

Features a powder-coated framework with crawl-thru opening, rotationally molded climbing shell and flexible interior net climber. The versatile Thunder Climber connects to any R5 structure allowing users to navigate between the component and system deck in exhilarating ways. Kids can test their skill level with the various grip styles through the multiple ups and downs and determine their own path to maximize the play value.

Age Range: 5 - 12 years

Size: 125" x 70" (3.2m x 1.8m)

Height: 125" (3.2m)

 An impact absorbing safety surface is required under and around all playground equipment.
