

# DUAL UTILITY PEDESTAL

## 30A/480V, 20A/120V

### FEATURES AND BENEFITS

- Non conductive, UV resistant, plastic enclosures
- Mechanical interlocking switch
- Stainless steel pedestal to protect mechanical interlock and GFCI duplex
- Walther can produce and supply the mating connectors and cable assemblies

### SPECIFICATIONS

|                             |  |
|-----------------------------|--|
| Rating                      | 30A/480V~3PH<br>20A/120V~1PH                   |
| Environment Rating          | NEMA 3R  |
| Input-1                     | 20A/120V, 1P+N+G (Hard wire)                   |
| Input-2                     | 30A/480V, 3P+G (Hard wire)                     |
| Output-1                    | (1) 20A/120V GFCI Duplex                       |
| Output-2                    | (1) 30A/480V IEC60309<br>IP67, 3P+G Receptacle |
| Circuit-2 Protection        | 32A, 3-Pole, IP67 Mechanical interlock switch  |
| Mechanical Interlock Switch | 32A/480V, 3-Pole, IP67                         |
| Approximate Dimensions      | L 8" W 9" H 58"                                |
| Approximate Weight          | 29 lbs.  |

### DESCRIPTION

Dual utility receptacles mounted on a stainless-steel pedestal are perfect for refrigeration areas, processing areas, washdown areas, and more. Receptacles can withstand varying temperatures and be custom designed for different IP ratings depending on your business needs.

### APPLICATION

Construction sites, Vineyards, Entertainment, Shipbuilding or anywhere you need portable power.

### ACCESSORIES

# Additional Products

**MECHANICAL INTERLOCK DEVICES**  
Designed to combine a disconnect switch and receptacle into one compact unit

**PIN & SLEEVE DEVICES**  
Manufactured to IEC 60309-1 & 2 standards and are interchangeable anywhere in the world

**POWER DISTRIBUTION SYSTEMS**  
Custom-built distribution systems optimizing power from power source to individual load

**PROCON HEAVY DUTY CONNECTORS**  
Safe, error-free power connection designed for tight spaces

**POWER DISTRIBUTION**  
Portable or hardwired power distribution units fitted with multiple outputs. Surge protection included.

**CABLE ASSEMBLIES**  
Standard stock in 25ft, 50ft, & 100ft. Custom configurations are available
