## LED STUDIO IN NASHVILLE

### NASHVILLE LED STUDIO

Our Nashville location has two LED studios; Studio C and Studio F shown above. Studio C is capable of 2D & mixed reality workflows. The LED floor and walls when mixed with the tracking cameras and in-camera VFX allow you to create truly spectacular recordings and live events. Studio F packs a similar but smaller punch and works great for more intimate virtual events.

The facility also has multiple control rooms, 700+ parking spaces, 6 truck docks, 1 guest lounge, 2 dedicated green rooms, 8 dressing rooms with private bathrooms, 2 large hair & make up rooms, 1 conference room, 1 office supply room, craft services room, 40+ production offices, and multiple flex spaces.

### STUDIO C FEATURES

- 38' wide x 13' tall x 20' deep 2.8MM LED backdrop.
- 5.9mm LED floor.
- xR & MR workflow capabilities.
- Unreal engine real-time rendering.
