

## Migration Packages

Build your playbook without the heavy lifting

### Option 1: Quick Setup

Have a few how-tos and need-to-knows scattered about? We'll organize them in your new Trainual account. Plus, teach you our best practices, so you can confidently document your business!

 Best for just starting to document your business	 Walk away with a solid start to your playbook	 3-day turnaround	 \$250
--	---	--	---

### Option 2: Full Migration

You pretty much have all your tribal knowledge written down but don't have the bandwidth to get it organized in Trainual. We'll do that for you (including embedding all your videos, screenshots, and .pdfs). All you have to do is make the final edits and assign it out!

 Best for organizing all your policies and processes	 Walk away with a workable playbook	 6-day turnaround	 \$1,000
---	--	--	---

### Option 3: Migration and Optimization

Take your playbook to the next level! Give us everything you got, and we'll get it organized in Trainual.

Plus, our implementation experts will tweak your content to boost engagement. This includes optimizing your content for how people learn best with gifs, images, and more. We'll even teach you these methods so you can use them moving forward.

 Best for taking your content to the next level	 Walk away with a professionally-built playbook	 10-day turnaround	 \$2,000
