WARNINGS AND CAUTIONS

Keep the device clean. Do not clean the device with solvents, toxic chemicals or strong detergents as they may cause damage to the product. Store your device only on flat surfaces. Do not drop or shock the product as it may be damaged.

The device can be used in locations with an ambient temperature of 0°C to 35°C (+32°F to +95°F). Using or storing

the device outside of the recommended temperature ranges may damage the device.

Your device is not water-resistant. Keep it dry.

Do not disassemble or modify the product as it may damage it and invalidate the warranty.

Follow all instructions in the user guide to ensure the longest lifespan of your device. Damages or poor performance caused by failure to follow warnings and instructions can void your manufacturer's warranty. Your device may wear out over time.

Do not store your device near magnetic fields. Your device may malfunction from exposure to magnetic fields.

Allow only qualified personnel to service your device. Allowing unqualified personnel to service your device may result in damage to your device and will void your manufacturer's warranty.

LOUPEDECK LTD ONE YEAR LIMITED WARRANTY

LoupeDeck Ltd warrants that for a period of one (1) year from original date of purchase, Loupedeck™ will be free from defects in materials and workmanship under normal use. LoupeDeck Ltd does not warrant against defects caused by normal wear and tear or damage caused by accident, abuse, misuse, fire or liquid contact, nor any damage caused by service provider who is not a representative of LoupeDeck Ltd's authorized service provider. In the event of a defect, please contact LoupeDeck Ltd's Customer Support (www.loupedeck.com/support) for assistance, call us or visit LoupeDeck Ltd's website (www.loupedeck.com/legal), or contact authorized service provider. The available service options depend on the country in which service is requested and may be limited to the original country of purchase. Phone calls and deliveries may be subject to certain costs depending on the location. Full terms and conditions and details of the service can be found at www.loupedeck.com/legal. If you make a warranty

claim under this warranty, LoupeDeck Ltd will at its discretion, repair or replace the Loupedeck™ device, or return the purchase price. Guarantee terms and conditions are in addition to the local consumer laws. You may be required to present proof of purchase when you make a warranty claim.

For Australian consumers: this warranty is in addition to the statutory rights under applicable Australian consumer protection laws and regulations. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

For the rest of the LoupeDeck Ltd warranty terms and conditions, see our website www.loupedeck.com/legal.

WAIVER

By using Loupedeck™, you waive some legal rights as detailed fully in the Terms and Conditions and highlighted herein. Please read this Legal Guide and the Terms and Conditions carefully before using Loupedeck™. Use of the Loupedeck™ product means you agree to all provisions in this Legal Guide and the LoupeDeck Ltd Terms and Conditions. If you do not agree and consent to all the provisions in the Legal Guide and Terms and Conditions, please return Loupedeck™ for a refund in accordance with the above-noted instructions.

FEDERAL COMMUNICATIONS COMMISSION (FCC) STATEMENT 15.105(B)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection

against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced technician for help.

15.19

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) this device may not cause harmful interference and
- 2) this device must accept any interference received, including interference that may cause undesired operation of the device.

15.21

You are cautioned that changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.
