

Alluma™ Specialty Drug List - Jul to Sep 2021

Alluma offers specialty medications through its preferred pharmacies, Mayo Clinic Specialty Pharmacy and Maxor Specialty Pharmacy. The most common specialty medications are included on this list. Some medications not listed may also be considered specialty product(s). All brand and generic formulations of the products listed are considered specialty, unless otherwise noted. Medications listed may or may not be covered under your prescription benefit depending on the formulary selected by your plan.

For questions regarding your plan's preferred specialty pharmacy network, specialty drug coverage criteria, or other prescription benefit information, please refer to your plan documents or call the pharmacy benefit phone number printed on your member ID card.

- ‡ Medication must be obtained through Mayo Clinic Specialty Pharmacy. For more information, call 800-337-3736
- Medication must be obtained through Maxor Specialty Pharmacy. For more information, call 866-629-6779
