Standard Warranty

All HindlePower products are warranted to be free from defects in material and workmanship for a period of five (5) years from date of manufacture. During the term of the warranty period: parts, assemblies, or components deemed to be defective will be repaired or replaced at our option, free of charge. All costs related to removal, reinstallation and transportation will be paid by the purchaser/customer and/or operator of the product. Evaluation, repair and/or replacement of any defective part(s) are FOB manufacturer's factory.

This warranty does not cover products or parts that are damaged from improper use or abuse, as determined by HindlePower. Accessory items or additional items carry only their respective manufacturer's warranty. Consumable items (such as fuses and electrolytic capacitors), which wear out under normal use are specifically not covered by this standard warranty. Any consequential damage due to diagnosis or repair by any party other than HindlePower authorized personnel is not covered under this warranty.

Extended Spare Parts Warranty

HindlePower's extended warranty includes all items as mentioned in the "Standard Warranty" as listed above, plus reasonable in/out freight costs related to a warranty claim for parts. Said freight cost is based on either standard UPS rates or common carrier only, as appropriate.

- 1 additional year @ equal to 5% of the original purchase price
- 3 additional years @ equal to 8% of the original purchase price
- 5 additional years @ equal to 10% of the original purchase price

Magnetic Parts 25-Year Extended Warranty (equal to 5% of the original purchase price)

Lifetime warranty (limited to 25 years from date of shipment) covers battery charger major electromagnetic components (T1, L1 & L2) as applicable. Coverage is for 100% replacement of any covered magnetic component that fails during normal use. Abuse, neglect, and damage from outside sources or improper application will make this warranty null and void. HindlePower reserves the right to make final determination regarding the application of this warranty. HindlePower will be responsible for costs related to inbound and outbound freight of warranted magnetic components. Freight cost is based on standard UPS rates or common carrier only, as appropriate. Costs related to removal and/or reinstallation of warranted magnetic components will be the responsibility of the purchaser/customer and or operator of the product.

NOTE: Requests for returns or claims **must** be submitted to our Factory Service Center for Return Material Authorization (RMA) instructions and assignment. Returns that do not follow this procedure will not be honored.

To elect an Extended Warranty as listed above:

1. Check off the desired extended warranty program(s).
2. Calculate the price based on the above schedule and your original purchase price.
3. **Return a copy of this completed certificate with an appropriate purchase order to your place of purchase.**
4. A confirmation of the extended warranty will be sent to you for display on the battery charger with details regarding the extended warranty and claims for warranty consideration.

Election to any of the above offered extended warranties must be done within the term of the initial standard warranty.
