

KVALITETS DIPLOM

SVENSK KVALITETSBAS

Techstep Sweden AB

The organization has implemented a quality management system in accordance with the requirements in The Swedish Quality Base standard (2019:2) that provide conditions for increased customer awareness and continuous improvement.

This means that the organization has:

- Identified customers and other stakeholder's requirements
- Mapped processes and identified risks and opportunities
- Documented a quality policy, quality objectives and routines
- Anchored, followed-up and communicated quality work
- Been approved at the audit of recorded documents as well as practical quality performance.

The quality diploma expires 2022-03-31

Kungälv 2021-03-12
