VideoScribe Solution Packages

Your subscription is only the beginning.
Create the solution that works for you.

Our VideoScribe Solution Packages have been designed to get the most value out of your subscription. Choose a package that suits your team to kick start their VideoScribe skills and get them creating, quickly.

Our three solutions have been created to suit your team size, from 5 people through to 20 or more. With each package, all your VideoScribe licenses come as standard for your team, along with a series of tailored online training resources. We include premium support and additional benefits, from VideoScribe-ready animated logos to custom branded VideoScribe templates.

Our training and additional benefits are included as part of your initial annual subscription and must be used within the first 12 months. Your subscription in Year 2 onwards will include licenses and premium support only, with additional training available at extra cost keeping you in control of your budget.

The training resources we provide are bespoke to your business, meaning you can focus on your specific requirements. We'll work with you to understand your team and how you plan to use VideoScribe making sure you get the training you need from the outset. The training can be delivered in half-day online sessions or spread over separate dates to best suit you.

Add value to your team's subscription with our tailored VideoScribe Solution Packages.
