Escape 5.0 CONFIGURING YOUR ESCAPE

Our team at Escape Trailer is customer-centric, proud of our products, service, and most of all the experience you have while building your Escape. This guide will help you get started in configuring your trailer exactly the way you want it. You can use this guide to help decided on placement of the base features and options. You can also personalize your trailer by choosing between Oak, Maple, or Contemporary options for your cabinetry, and seven standard choices of countertops, upholstery, and flooring to create your perfect style.

All sample swatches shown are for illustration purpose only. Actual product may vary.

CABINETS

YOU decide on the style of cabinets throughout your trailer. Choose from Oak, Maple, or Contemporary options.
