

Brian Smith, PhD

Dr. Brian C. Smith, aka *Dr. Cannabis Analysis*, is Founder, CEO, and Chief Technical Officer of Big Sur Scientific. He has pioneered the application of mid-infrared spectroscopy to cannabis analysis, and has published numerous peer reviewed scientific papers based on this research. Brian sits on the editorial board of Cannabis Science and Technology magazine, and writes a regular column for them called “Cannabis Analysis”. Dr. Smith also teaches forensic scientists how to analyse evidence using mid-infrared spectroscopy, and is a member of the faculty of the California Criminalistics Institute. He has over 30 years experience, and has written 3 books on chemical analysis. Dr. Cannabis Analysis earned his Ph.D. in physical chemistry from Dartmouth College.
