PRESS TRUST OF INDIA  
Mumbai, May 26

**BENCHMARK INDICES** SENSEX and Nifty failed to cling on to day's highs and settled in the red on Tuesday as investors remained unsure about economic recovery amid mounting Covid-19 cases in the country. Shedding over 574 points from the day's high, the BSE Sensex declined 63.29 points or 0.21% to close at 30,609.30.

Similarly, the NSE Nifty ended 10.20 points or 0.11% down at 9,029.05. Bharti Airtel was the top loser in the Sensex pack, plunging around 6%, followed by TCS, Bajaj Finance, Sun Pharma, Tech Mhinda, Infosys

and Hero MotoCorp. On the other hand, Titan, Ultratech Cement, IndusInd Bank, Nestle India and ITC were among the gainers.

Sectorally, BSE telecom, teck, IT, healthcare and energy indices fell up to 4.64%, while metals, consumer durables, utilities, power and auto index ended with gains. Broader BSE midcap and smallcap outperformed benchmark, rallying up to 1.21%. Sentiment in the Indian market remained volatile despite global markets trading positive.

Bourses in Shanghai, Hong Kong, Tokyo and Seoul ended significantly higher. Stock exchanges in Europe too rallied up to 1.76% in early deals.

# S&P tops 3,000 pts on recovery hopes

**US STOCKS JUMPED** and the S&P 500 breached 3,000 points on Tuesday as optimism about a potential coronavirus vaccine and a revival in business activity helped investors overlook simmering Sino-US tensions.

The benchmark index traded above the key psychological level and also above its 200-day moving average, a closely watched long-term trend indicator, for the first time since March 5. All 11 S&P sector indexes gained in early trading, with cyclical financials, industrials and energy stocks jumping more than 3%.

The S&P 500 has risen about 37% from its March lows on a raft of central bank and government stimulus, and is now just

# LIC launches pension scheme with 10-yr term policy for senior citizens

FE BUREAU  
Mumbai, May 26

**LIFE INSURANCE CORPORATION** of India (LIC) has started selling the Pradhan Mantri Vaya Vandana Yojana (PMVVY) for senior citizens aged 60 years and above from Tuesday. This pension scheme is non-linked and non-participating, and will be available for investors till March 31, 2023. Financial advisors say that investors should look at this scheme as it offers attractive returns for longer duration.

According to LIC, this scheme has a policy term of 10 years and the pensioner can choose monthly, quarterly, half yearly or yearly mode of pension. The scheme will provide an assured rate of return of 7.40% per annum in FY21. For investors investing this financial year will get 7.40% per annum payable monthly for entire duration of ten years.

"For the policies sold during the next two financial years, the applicable assured rate of interest, at which the pension payment shall be made, will be reviewed and decided at the beginning of each financial year by the finance ministry," said LIC in its release.

The scheme can be purchased by payment of a lump sum purchase price. The pensioner has an option to choose either the amount of pension or the purchase price. For example, the

minimum purchase price for monthly mode is ₹1,62,162 and for yearly mode ₹1,56,658. The maximum pension one can get under this scheme will be ₹9,250 per month and ₹1,11,000 per year.

Suresh Sadagopan, founder of Ladder7 Financial Advisors, says, "This product offers credible income stream for senior citizen for longer duration. While the Senior Citizen Saving Scheme (SCSS) has a tenor of five years and can be extended for another three years, PMVVY has a policy term for 10 years and gives 7.4% per annum. For an investor who wants income certainty for ten years, this is a very good product."

Total amount of purchase price under all the policies under this plan and all the policies taken under earlier versions of PMVVY allowed to a senior citizen shall not exceed ₹15 lakh, said LIC. This scheme was ear-

Financial planners say that since pension received are taxed at the hand of investors, this product from LIC is advisable for someone who is in a lower tax bracket.
