## Bottle Fillers

Retrofit Existing Water Fountains to create a **Safe Water Source**

### Durable

Chrome-plated, solid brass body and heavy-duty metal lever with rubberized coating to protect fine glassware.

### Flexible

Deck-mount model available in tall (9") or short (5.5") versions.

### Reliable

All-brass piston valve with easy access for simple maintenance; flow volume adjustment fine tunes flow for varying water pressures.

### Easy to Install

One-piece riser/shank includes a standard 1/2" NPSM thread; deck flange threads onto inlet shank for secure placement; all mounting hardware is included.

### Before

### After

### Bottle Fillers

Model	Mixer
712-ABCP	Deck Mounted Bottle Filler, Tall
714-ABCP	Deck Mounted Bottle Filler, Short
