CHICAGO FAUCETS
Geberit Group

EVR Series

Touchless Lavatory Faucets

A **Hard Working** Overachiever.

The EVR Series combines the added safety and convenience of touchless operation with the durability of a heavy-duty, one-piece cast brass body. Power options and mixing – including integrated scald protection – are concealed in a secure, compact control box.

Durable Construction

Heavy-duty, one-piece cast brass body with vandal resistant outlet designed to withstand abuse and tampering.

Optional **Commander™ handheld programming unit** maintains and monitors your faucets.

– Five Running Modes
– Hygiene Flush
– Track Usage

Secure, Compact Control Box For Any Application

Conceals and secures power, solenoid, mixing valve, and supply in a compact box.

Improved User Experience

Higher and longer spout reach combined with dependable electronics, improving the user experience.

Added Safety

Available with integral ASSE 1070 compliant thermostatic protection to help prevent scalding.

Innovative Power Options

LTPS
