

Setting up a direct deposit means the money will be deposited into your account as soon as possible. It places recurring deposits electronically into your checking, savings or money market account automatically. Qualifying deposits may include salary, pension, Social Security and Supplemental Security Income (SSI) benefits and other regular monthly income.

For questions, Contact a Member Representative at 1-800-343-6328

Provide this information to the company you wish to receive a direct deposit from:

Member's Name:

Member's Address:

City:

State:
