

Our Passion

We have a shared passion for horses and we understand that when your horse feels good, you feel good. We are committed to producing quality products that will improve your horse's health, thereby strengthening the connection you've built together.

MINED IN AMERICA

Redmond Equine products are mined from an ancient seabed in Redmond, Utah.

100% NATURAL

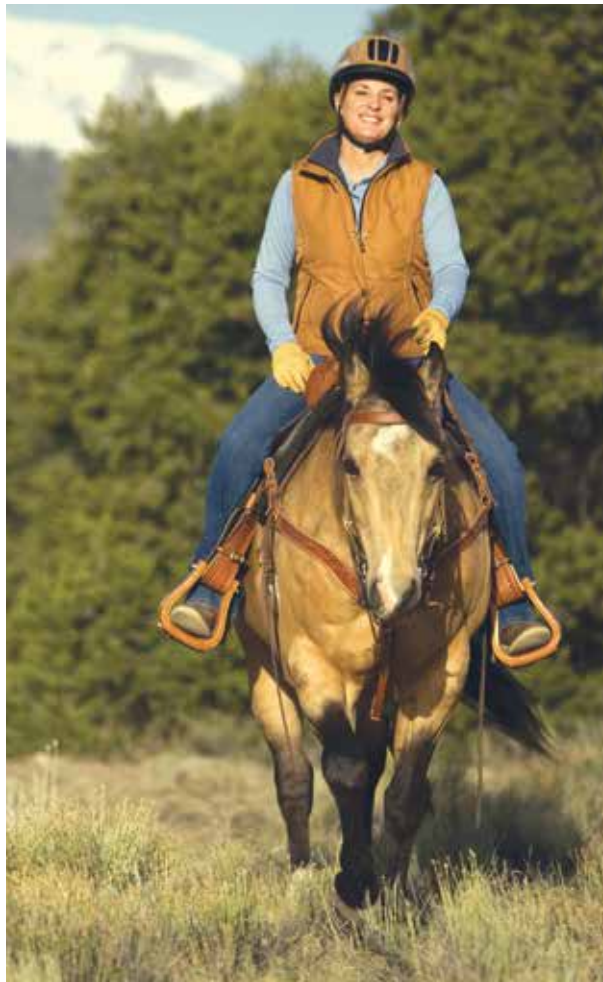

Nature's own complete mineral package. We couldn't make it better if we tried.

ESSENTIAL TRACE MINERALS

More than 60 trace minerals—each one with a role to play.

PREFERRED BY HORSES

If horses could talk, they'd ask for Redmond products by name. We're sure of it.

"I know that a hydrated horse is a healthy horse. Feeding Redmond Rocks to my horses has encouraged them to drink more water. The important balance of salt, trace minerals, and water is vital to a horse's health."

Julie Goodnight

Natural Equine Salt & Minerals

After more than 40 years of providing natural mineral salt to ranchers for their animals, we have seen many common health benefits, including increased energy, healthier hooves, better hydration, greater endurance, and improved overall vitality. Horses thrive on Redmond's natural sea minerals. In many cases, when given the natural sea salt for the first time, mineral deficient horses won't leave it alone!

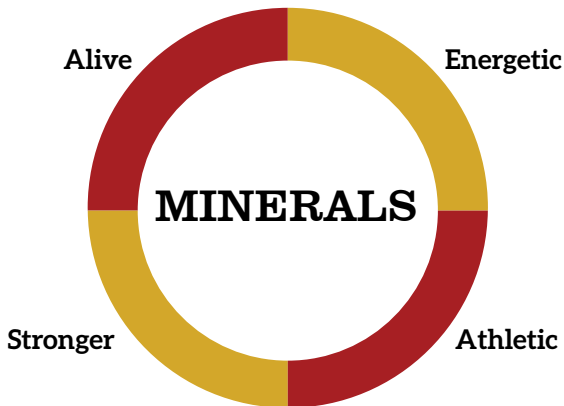

The minerals in the sea salt can help restore and bring your horse back into balance. By including Redmond Minerals in their daily regimen, we have seen horses become more alive, energetic, stronger, and athletic.

MAJOR MINERALS

Calcium	0.35%
Phosphorus	0.02%
NaCl	91.0%
Magnesium	0.06%
Potassium	0.03%
Sulphur	0.07%

TRACE MINERALS

Iodine	10 ppm
Iron	300 ppm
Cobalt	0.08 ppm
Copper	3 ppm
Manganese	5 ppm
Molybdenum	0.08 ppm
Selenium	0.23 ppm
Zinc	3 ppm

Whether you ride your horse competitively for show, eventing, or just take him on the trail for a brisk Saturday morning ride, Redmond Minerals can help bring him into balance and maximize the time you and your horse spend together.

Our Products

As a horse owner, you care about your horse and want the best for him. He is a noble companion. He is one of the family. Though difficult at times, the passion and energy you put into raising him is rewarding. The deep bond you have created, the pictures you've taken, and the memories you've made will last a lifetime—and you'd have it no other way.

Redmond Equine Minerals helps you make the most of the relationship you have with your horse by providing valuable trace minerals he needs to live a more healthy, balanced life.

Available in 3-5lbs. & 7-10lbs.

REDMOND ROCK

- Electrolytes • Coat Health • Joint Function

Redmond Rock™ is a natural sea salt containing all the trace minerals present in that ancient sea. It is no surprise that health improves when mineral imbalances are corrected. Nutritionists refer to these minerals as "essential" for a reason!

Available in 3-5lbs.

REDMOND ROCK on a Rope

- Electrolytes • Coat Health • Joint Function

Redmond Rock on a Rope™ is ideal for hanging in a barn, stall, or on a fence post. You know your horse will get more than 60 trace minerals and electrolytes in a natural blend only nature could have made.

Available in 4.5lbs. & 25lbs.

DAILY GOLD

- Stress Relief • Digestive Support • Detox

Daily Gold™ is a naturally occurring Montmorillonite clay that contains 60+ trace minerals and elements – the building blocks of life. Daily Gold helps remineralize the body, promotes ulcer relief, maintains hydration, and binds toxins.

Available in 5lbs. & 25lbs.

REDMOND ROCK Crushed

- Electrolytes • Coat Health • Joint Function

Redmond Rock Crushed™ is the granular form of Redmond Rock designed for owners who prefer to feed their horse supplements in their daily feed ration or to provide enough salt & minerals when your horse is sweating more than usual.

Available in 8oz.

First Aid for Horses

- Promotes Natural Healing

First Aid for Horses is an all natural, hydrated bentonite clay that promotes natural healing. It can be applied to sores, open wounds, skin irritations, burns, and bites. It can also help draw out infection and prevent proud flesh.
