

Construction CORNER

5 EASY STEPS that Simplify Your Construction Process

1

Have a particular supplier you prefer to use?

Please do!

Purchase building materials at the location of your choice when it's convenient for you.

2

Have invoices to be reimbursed for purchases made in-person or online?

Save yourself a trip!

Send your loan officer a copy of the receipt/invoice.

3

Concerned about going over budget?

Relax!

Our construction loan specialist will review bids and missing details at the beginning and monitor overages as the project progresses.

4

Time to pay contractors and sub-contractors?

Not a problem!

We'll pay them for you too, just tell us when. Dakotaland has no limit on the number of construction draws.

5

Have lien waivers to process?

Breathe easy!

We automatically take care of the lien waivers for you.

Give us a call today at 800.440.6573
to talk about your next construction project.
