

MEMBER'S CHOICE® Credit Life Insurance: Prepare for the Unexpected

While you can't predict an unexpected death, you can plan how you'll be better able to financially handle one should it occur. Credit Life Insurance policies offer loan-specific coverage to help support your family in a time of need.

MEMBER'S CHOICE® Credit Life Insurance is voluntary coverage that can help reduce or pay off your loan balance, up to the maximum limit, if you or your covered co-borrower pass away.
