

Your business solutions partner from seed to sale.

At Rockton Connect® we're all about keeping things simple and easy.

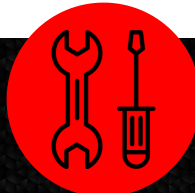

With over twenty years of enterprise planning experience, we've mastered the art of implementation to provide you with a seamless, pain-free transition into the next generation of cannabis management software.

"Choosing the right cannabis business software is only the beginning – proper implementation is a must."

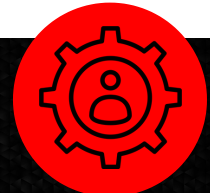

Onboarding

Full onboarding of Quantumleaf and Acumatica

Service

A generous block of service hours each month

Support

Unlimited support by phone or email

The perfect formula to streamline your cannabis business.

Quantumleaf is the premier cannabis and hemp business solution.

Designed to be fully integrated with Acumatica, it's both robust and easy to use. Enjoy peace of mind as you scale your business with flexible licensing, cloud hosting, and a full suite of integrated business management applications at your fingertips.
