****SNF Telehealth Site Origination Fee**

SNFs bill their Part A MAC for the originating site facility fee on TOB 22X or 23X. For SNF inpatients in a covered Part A stay, the originating site facility fee must be submitted on a 22X TOB. All SNFs must use revenue code 078X when billing for the originating site facility fee.

The SNF serving as an originating site must bill for ***HCPCS code Q3014*** *, telehealth originating site facility fee, on a separate revenue line from any other services provided to the beneficiary.*

1. CMS is now excluding it from consolidated billing: "When the originating site is a SNF, the originating site facility fee is outside the SNF prospective payment system bundle and, as such, is not subject to SNF consolidated billing. The originating site facility fee is a separately billable Part B payment."

*****Reimbursement is around $26.00. To be sure we are billing above allowable with no issues, we will bill each instance at $75.00**
