

SUMMARY OF GUIDELINE CHANGES FOR 01.01.21

	PREVIOUS VERSION	CHANGES EFFECTIVE 1.1.2021
	The terms “all men” and “every man” in all circumstances	Have been changed to “all persons” and “everyone.”
II. F.		Added: Cancellations. Membership will be canceled if a Member does not deposit the Monthly Share for more than 60 days. The Cancellation Date will be the last day of the month for which the last Monthly Share was deposited. Only Eligible Medical Bills incurred on or before the Cancellation Date will be considered for sharing.
III. D.	All: Colonoscopy—one every 10 years starting at age 50 or one every five years for members at high risk	All: Colonoscopy—one every 10 years starting at age 45 or one every five years for members at high risk. (Change follows adjustment to the American Cancer Society recommendations.)
	Currently when a member visits a provider for an annual pap smear, only the test is eligible for sharing.	Added for clarity. As it pertains to eligible preventive care for both men and women, both the test and coordinated office visit will be eligible for sharing.
