

CHILD & ADOLESCENT

MENTAL HEALTH CONFERENCE

12-14 APRIL

JW MARRIOTT RESORT & SPA

2021 CONFERENCE INFORMATION PACK

CAMH.COM.AU

WHAT IS THE CHILD & ADOLESCENT MENTAL HEALTH CONFERENCE?

The 2020 Child & Adolescent Mental Health Conference is an event for professionals to connect, gain insight from industry experts and develop a greater understanding of mental health in children and adolescents from 3-19 years of age.

Find out more about assessing, treating and providing ongoing mental health evaluations for children, young people and their families.

Hear insight from industry experts who will discuss the latest research and developments, increase your network of fellow professionals and unite to improve mental health practices with children and adolescents.

WHO SHOULD ATTEND?

Clinicians

Teachers

Case Managers

Counsellors

Nurses

Mental Health Professionals

Psychologists

Social Workers

Allied Health Workers

Psychiatrists

Therapists

Peer Support Workers

BECOME A PRESENTER IN 2021

This is your opportunity to stand alongside fellow mental health experts to discuss the latest research findings, trends, challenges and successes.

If you have projects, research or personal insight in areas of child and adolescent mental health, submit a presentation for your chance to be featured in the 2021 conference program.

All selected presenters will be offered a discounted registration rate.
