Available in Universal, Oil Only & HazMat:

Essentials **universal pads and rolls** are all-purpose sorbents — perforated for flexibility and efficiency.

- Great wicking and performance for all of your leaks, drips and spills
- Dimple bond pattern increases strength and durability

Oil only sorbents are available in a variety of constructions to meet all of your application requirements.

- Absorbs all petroleum-based liquids including oil, gasoline, kerosene and diesel fuel
- Naturally repels water making them ideal for environmental clean up
- Perforated except for the unbonded products

Designed to warn users of potentially dangerous spills, **HazMat pads and rolls** are color-coded yellow for safety.
