

# Surface for Business

Original by design

## Modern tech inspired by the changing ways you work

The Surface for Business portfolio delivers modern business tech that everyone can use to accomplish more. Featuring versatile form factors designed for all the ways people work, Surface optimizes the Microsoft 365\* and Windows experiences users rely on so they can be protected, productive, and collaborative anywhere.

### Meet Surface Pro X for Business

Go beyond expectations with blazing-fast, always-ready Surface Pro X. Better serve your customers from anywhere with our ultra-slim 2-in-1 that delivers the performance, battery life, and essential tools you rely on.

Built for companies and your Frontline Workers to stay connected, capture ideas, and keep going all day.

#### What's new in Surface Pro X:

- Apps can run natively or emulated—intelligently and invisibly managed by Microsoft.
- New Microsoft SQ® 2 chipset option, delivering more power for those who need it.
- Available in Matte Black and new Platinum color option.<sup>1</sup>

### Meet Surface Laptop Go for Business

The lightest Surface Laptop powers your essential everyday experiences. Make an impact and an impression with Surface Laptop Go, a balance of performance, battery life, and beauty that helps you get your job done. Check all the boxes with stunning colors,<sup>2</sup> an ultra-thin profile, and the apps you depend on.

Just right for those looking for simplicity without compromise and a seamless, secure computing experience.

## Meet Surface Pro 7+ for Business

When you can get intensive tasks done 2.1 times faster than before and improved all-day battery life,<sup>3</sup> nothing stops you from getting it all done. Work uninterrupted and stay productive with optional LTE Advanced<sup>4</sup> and do it your way with our classic, ultra-light 2-in-1 for business.

Wherever and however you work, Surface Pro 7+ helps you get the job done by transforming from everyday laptop, to powerful tablet, to portable studio. And USB-A and USB-C® ports even let you convert Surface Pro 7+ into a full workstation.

\* Some accessories and software sold separately.

<sup>1</sup> Available colors may vary by market and configuration.

<sup>2</sup> Available colors may vary by market.

<sup>3</sup> Surface Pro 7+ battery life: Up to 15 hours of battery life based on typical Surface device usage. Testing conducted by Microsoft in November 2020 (Surface Pro 7+ with Intel 11th Gen Intel® Core™ i5-1135G7 @ 2.40GHz, 256 Gb SSD, 8 Gb DRAM) using preproduction software and preproduction configurations of Surface Pro 7+. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Battery life varies significantly with settings, usage and other factors.

<sup>4</sup> Service availability and performance subject to service provider's network. Contact your service provider for details, compatibility, pricing, SIM card, and activation. See all specs and frequencies at [surface.com](https://surface.com).
