

Planar TVF Complete LED Video Wall Display

EASY, OFF-THE-SHELF LED VIDEO WALLS

The Planar® TVF Complete™ Video Wall display reduces the time, complexity and cost of designing and installing an LED video wall. We've packaged everything an organization needs in one complete, U.S. T.A.A. Compliant 109" to 219" diagonal LED video wall display, starting at \$65,600 (MSRP US). Simply select the video wall size that best suits the environment and application, and receive the complete package of LED display cabinets, video controller, cables, spare modules, wall mounts, trim and remote control, all included.

Planar TVF Complete is configured using the popular Planar® TVF Series LED video wall displays feature a high resolution, stackable and cableless design. With the ability to deliver standard Full HD, Double Full HD or 4K resolution walls in various sizes, finding the video wall display to fit your space is easy.

ONE POWERFUL PACKAGE

Each video wall features a compact and scalable Planar® WallDirector™ Video Controller (VC) and Planar® WallDirector™ Software to drive the video wall at native resolution with smooth scaling and content windowing. The 1U rack mount Planar WallDirector VC captures multiple 4K inputs and provides signal extension over CAT or fiber connections. The WallDirector Software supports processor monitoring, alerts and easy creation and recall of windowing layouts on the video wall.

Planar TVF Complete includes multiple video inputs, with HDMI2.0 and HDCP2.2 at 4K@60Hz. A redundant power design in the display safeguards from unexpected interruptions and downtime ensuring continuous operation.

LIFETIME WARRANTY

In North America Planar TVF Complete comes with the Planar® EverCare™ Lifetime Limited Warranty which offers complete product coverage for as long as the video wall is used in a fixed location.

- Complete Direct View LED Video Wall ready to install

- Models with 16:9 or 32:9 aspect ratio
- Package optimized for Full HD, Double Full HD or 4K resolution
- Seamless LED display wall
- Comes with Planar® EverCare™ Lifetime Warranty
- Starting as low as \$65,600 (US)

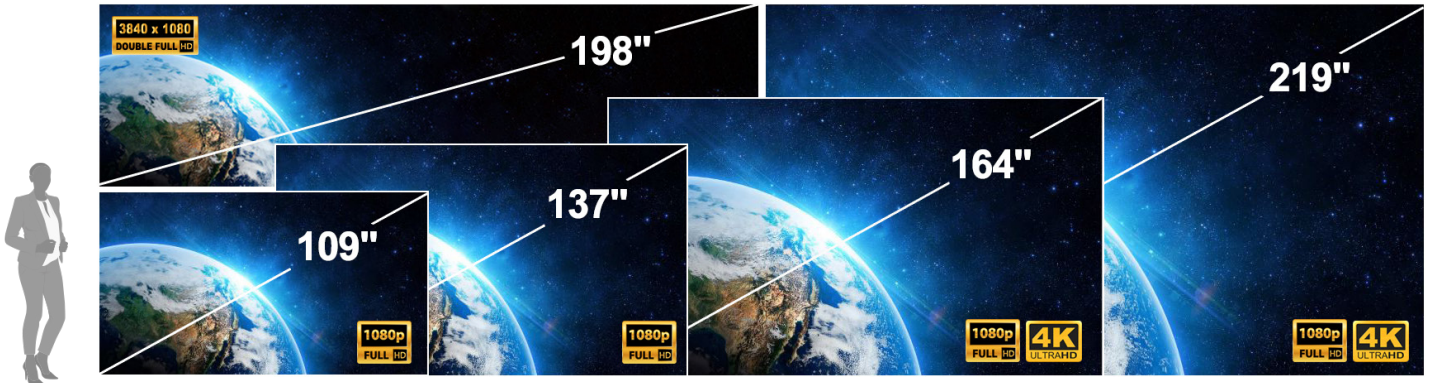

JUST THE RIGHT SIZE

The Planar TVF Complete video wall optimizes efficiency with seven pre-packaged solutions in five popular sizes: 109", 137", 164", 198", and 219". All models, aside from the 198" model, feature a standard 16:9 aspect ratio, ideal for HD and 4K video content. The wide-view 198" model features a 32:9 aspect ratio that enables users to display two sources side by side at native HD resolution or in a range of other useful windowing layouts.

These diverse sizing options ensure there's a model for any space with desired viewing distances between 7' and 20' (2.1m-6.1m).

Of course, if none of those video wall sizes is quite right, custom sizes and resolutions of Planar TVF Series are also available.

Model	Resolution	Size	Aspect Ratio	Dimensions
HD 109	Full HD (1920x1080)	109"	16:9	7.9' x 4.5' 2419 x 1361mm
HD 137	Full HD (1920x1080)	137"	16:9	9.9' x 5.6' 3024 x 1701mm
HD 164	Full HD (1920x1080)	164"	16:9	11.9' x 6.7' 3629 x 2041mm
