**Better Option
with Lower Cost !**

- Brighter & Less Wattage
- Replaceable Bulbs
- Less Down time

Sunlite High-Bay Replaceable Bulbs

Half the cost of integrated LED!

LED high-bay lighting fixtures last an average of 50,000 hours and must be replaced at their end of life. Sunlite offers several high-bay replaceable bulbs with various beam-spreads and lumen options. No need for purchasing new fixtures, paying for electricians and lifts to change fixtures, replace the bulb. The initial cost is significantly less than integrated LED fixtures and still assures you proper illumination.

Application areas:

Warehouses, factories, showrooms, gymnasium, and retail stores

04828-SU | HBFL16PC/LENS

- High Bay Fixture Lens
- Polycarbonate
- 16" Round

SUPER WHITE

5000
KELVIN

At 5000 Kelvin, the bulbs deliver bright, clearer color to brighten larger spaces. Suitable to warehouse, parking lot, gym, garage or other large area that requires great lighting.
