Around-the-Clock Support

Gaggle monitors student activity on school-provided digital accounts and platforms **24 hours a day, 7 days a week, 365 days a year** to provide districts, administrators, teachers, parents, and fellow students with peace of mind.

Student Safety That Saves Lives

Gaggle is a recognized leader in helping K-12 districts manage student safety on school-provided devices and platforms. Gaggle proactively alerts school officials when students show signs of self-harm, thoughts of suicide, substance abuse, threats of violence, and other harmful situations.

Safety in Three Steps

1 | Content Analysis

Machine learning technology flags concerning content in students' school-issued accounts for review and blocks potentially harmful content

2 | Expert Review

An in-house team of trained safety professionals work **24/7/365** to evaluate content

3 | Rapid Response

In severe situations, district-appointed contacts are **immediately notified** by phone, even after standard business hours
