

# Data Center Solutions

## Power, Control, & Communication Cables

As part of Marmon Electrical, manufacturers RSCC Wire & Cable, Dekoron Unitherm, and Dekoron Wire & Cable provide a complete range of engineered solutions designed to power critical systems throughout a data center. Utilizing low smoke zero halogen (LSZH) compounds, these cables provide resistance to flame, produce low or limited smoke, and emit non-toxic halogens in emergency situations. Available in 300V to 2000V single through multi-conductor constructions.

- 1 Generators**
- Rock-Flex® DLO Class K
  - Rock-Flex® COP
  - Rock-Tuff® ZHF
  - Electric Trace Bundle\*

- 2 Switchgear & Distribution**
- Rock-Flex® DLO Class K
  - Rock-Tuff® XHHW-2/SIS
  - Rock-Tuff® ZH XHHW-2/RW90

- 3 UPS System**
- Rock-Flex® DLO Class K
  - Rock-Flex® COP
  - Rock-Tuff® ZHF

- 4 PDU & RPP**
- Rock-Flex® DLO Class K
  - Rock-Flex® COP
  - Rock-Tuff® ZHF

- 5 Network System**
- Rock-Flex® COP
  - Rock-Barrier
  - Rock-Comm

- 6 Under Floor Cabling**
- Armored Whip\*\*
