

10 Great Reviews of AMOPPORTUNITIES

INTERNAL MEDICINE AT PRIMARY CARE CLINIC

Richardson, Texas

"I enjoyed my stay here. The team was very nice and welcoming, and I got to see some interesting cases and a wide variety of patients. This was a really good U.S clinical experience for me!"

-Chinyere (Nigeria)

GENERAL SURGERY AT CEDARS-SINAI MEDICAL CENTER

Los Angeles, California

"AMO is super organized. From the beginning to the end, everything was easy and smooth. AMO replied to my emails as soon as they could, and my questions were fully answered. I would highly recommend AMO to other IMGs."

-Salisu (Nigeria)

OBSTRETRICS & GYNECOLOGY AT FACOG MATERNAL-FETAL MEDICINE

Flushing, New York

"I really had a wonderful experience through AMO. It is a good opportunity for medical students to gain clinical exposure in the U.S. My supervising physician was very friendly, helpful, and a great teacher. I loved working with them. I would love to take up another AMO rotation for my next elective."

-Chaitra (India)

NEUROSURGERY AT NEUROSURGICAL MEDICAL CLINIC

San Diego, California

"It was amazing! The supervising physicians are truly wonderful people. I couldn't imagine I would learn so many things in just a few weeks!"

-Trisha (India)

SPORTS MEDICINE AT MEDICINE IN MOTION

Austin, Texas

"Words cannot represent how much I liked this experience. It was amazing and surpassed my every expectation. Overall, it was perfect."

-Daniel (Brazil)

EMERGENCY MEDICINE AT SOUTH LOOP IMMEDIATE CARE

Chicago, Illinois

"It was fun. I had the chance to practice taking patient medical histories and doing physical exams. I feel more confident now in regards to my clinical skills."

-Fatima (Saudi Arabia)

GENERAL SURGERY AT SURGICAL PARTNERS

Miami Beach, Florida

"I really enjoyed my experience and would highly recommend it to anyone who wants to learn about the U.S. Medical System. My supervising Physician provided very good explanations and details. He went above and beyond to teach me not only surgical skills but also patient care and management skills."

-Abhishek (India)

GASTROENTEROLOGY IN ORANGE

Orange, California

"I thought this program was good in many ways. The staff was attentive from the beginning and helped me a lot! Having an experience outside of my home country gave me new experiences. Everyone should have the opportunity to experience this!"

-Veronica (Brazil)

CARDIOLOGY AT THE HEARTBEAT CLINIC

McKinney, Texas

"Working with AMO was such a good experience for me. I learned a lot through this rotation. The hospital faculty were friendly and helpful. I am thankful to AMO for providing such a good opportunity."

-Bandi (India)

PEDIATRICS IN HOUSTON

Houston, Texas

"Everything was amazing. The process to enroll is simple and easy. I would definitely recommend it to others."

-Maria (Mexico)
