Xerox

Cardreader support, yet to come. Some Xerox devices have an internal whitelist over supported cardreaders. One Q is trying to get that list from Xerox
Versalink cardreader needs to have Xerox Cardreader plugin installed

SNMP accounting is standard

JBA/Network accounting is an acquisition at Xerox for models without Xerox

Connect Key

XCK Xerox Connect Key, standard on new devices

Note 1: only possible to login by username and password, no support for cardreader, even with IP bridge

Note 2: the standard Card reader plugin from Xerox needs to be installed to get reader to work, only Elatec readers are supported

Ricoh

Card reader, almost all reader in Keyboard

mode are supported

For JAVA models, new server license is needed with

Pid and Vid for reader
