INTRODUCING A **CONTINUING EDUCATION WEBINAR** FROM ABBOTT NUTRITION HEALTH INSTITUTE

PROBIOTICS IN THE NICU: EVIDENCE & EXPERIENCE

OBJECTIVES:

- Define dysbiosis and the risk factors for preterm infants.
- Review the expert body of recommendations regarding the use of probiotics (addressing discrepancies).
- Discuss the process for selecting, implementing, and monitoring a probiotic supplement at your institution.

Visit anhi.org to learn more about our nutrition science education and resources

Participants can only claim credit for one of the learning formats (webinar, group program or self-study). To receive credit for the self-study program, participants must view the self-study program independently and complete the post-test and evaluation to obtain their certificate.

Abbott Nutrition Health Institute is approved by the California Board of Registered Nursing, Provider #CEP 11213.

Abbott Nutrition Health Institute is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). CDR Credentialed Practitioners will receive Continuing Professional Education Units (CPEUs) for completion of these activities/materials.

Continuing Professional Education Provider Accreditation does not constitute endorsement by CDR of a provider, program, or materials. If you have questions or concerns about an ANHI program meeting accreditation standards, please [contact us](#) or provide feedback to CDR.
