YES

NO

Shaker Solo

Perfect for fast-growing businesses. It's designed to keep your business going with all-day battery life and a built-in SIM card that allows you to carry on trading even if the Wi-Fi drops (or the power goes out). Plus no monthly rental fees and low transaction rates!

Mover Pro

Ideal card machine for small businesses. It's fast, lightweight and portable – perfect for business on-the-go. The Mover Pro connects with your smartphone for safe, quick and easy transacting. All this at no monthly rental fees and low transaction rates!
