Frequent questions

How does it work?

Apart from the **Shaker Solo**, all iKhokha card machines connect to your iOS or Android smartphone through Bluetooth. All you need is 3G reception or Wifi.

The **Shaker Solo** has built-in 3G and doesn't require a phone.

What documents do I need?

- Copy of your ID
- 1 month bank statement
- Business Registration (*only If you are applying under a business account*)

Do you offer a guarantee?

Yes, we have a 30-day money back guarantee. After which there is a 1-year warranty for manufacturing faults.

How, and when do I get paid?

We settle daily any amount above R10.

The funds will appear in your chosen bank account (personal or business) within 1 to 3 working days.

The amount settled will be less:

- a transaction fee of 2.75% (ex VAT)
- a deposit fee of R2,50 per daily settlement to your account.

How long does it take to get the card machine?

If you purchase from our retailers, you get your card machine immediately.

If you purchase online or with the help of one of our sales agents, we will deliver your card machine nationwide within 2-3 days.

I had the pleasure of dealing with Peter Shabalala! I got exceptional service from him. Who else is still prepared to help you solve a problem with your iKhokha device at 19:30 on a Friday evening! Thank you, Peter Shabalala and iKhokha!
