

Elementary School

Progress Reports

Reports will be generated on November 2, 2021 and available to you in Alma shortly thereafter. The Progress Report is not a permanent grade, rather it is a snapshot of student performance at the midpoint of the semester. If you have any questions about your child's upcoming grades please contact your child's teachers.

MAP Reports

We will also distribute Fall MAP Student Profile Reports so that you are aware of your child's baseline performance for this year and of his or her Winter and Spring goals.

Bi-Weekly Curriculum Newsletter

Last Thursday you should have received a Bi-Weekly Curriculum Newsletter from your child's Homeroom teacher. If you didn't receive it or don't see it posted on their Google Classroom Stream, then please contact them. After the Break we will switch to a weekly instead of biweekly edition. Twice per month teachers in Grades 1-4 send out curriculum newsletters. In an effort to make it easier for you to find all the newsletters in one place, we have prepared a combined newsletter template.

Please see these links below.

Planners

Grades 3-4 students have started to use their wonderful planners! The purpose of the planner is to help your child develop organizational skills and awareness as well as to help you *see* what your child is doing in school or is expected to do at home for homework.

Reading Log

We have begun using the Agenda as a space to record your child's Reading Log after the break. The Reading Log is part of our efforts to develop our culture of literacy. More about this to follow.

Behavior expectations

Behavior expectations, Discipline policy and Anti-Bullying policy documents have been sent to you via Alma. Please review the Behavior Expectations with your child this weekend. ES assemblies for Grades 2-4 have been held and expectations have been discussed with all students.

ASA/ECA

Students have been enjoying Gulfstar and other afterschool activities and it is truly wonderful to see the smiles on their faces when they are having fun. If your child has not enrolled in Gulfstar swimming, Karate or any of the other activities, please contact the Admissions office.

Have a wonderful Fall Break and I hope you get to bring your child to the fabulous Expo 2020!
