

Elementary School

Please note the following:

- We have received the Ministry Arabic, Islamic, UAE SS and Moral Education books and will be distributed on Sunday.
- Please be sure to obtain your child's username and password information from your child's homeroom teacher. If you are having an issue please contact Nizar at: it.support@igniteschool.ae
- If necessary, you can bring your child's device to school and Nizar will configure it as long as either you or he has any relevant device password information.
- Arrival and Dismissal are going very smoothly this week and all ES classes (Grades 1-3) have been picked up between 2:50-3:00 from the gym. Parents have been happy to see their children waiting for them at dismissal and children are happy when they are picked up on time!
- Gulfstar Afterschool activities will begin on October 3rd. There are a lot of great activities such as swimming, football, basketball, karate and even Science & Engineering
- Distance learning will officially end on September 30th except for those with medical exemptions. Distance learning will take place on a customized basis as there are very few distance learners. It's wonderful to be safely "back" to as normal as we can get while wearing masks and social distancing.
- From October on, there will be a heavy use of IXL as a key tool to develop our *culture of reading*, so get those usernames and passwords ready and *buckle up!*
- ES will also be instituting a Reading Log for all students in Grades 1-4, so please be sure that your child has an ample selection of books to read at home!

As the third week of September rolls in, we look forward to a great rest of the month filled with the joys of learning, Reading and the acquisition of important skills.
