

Measurement of Academic Progress (MAP) Test

- Administered three times a year.
 - MAP FALL is administered at the beginning of the year.
 - MAP WINTER is administered in the middle of the year.
 - MAP SPRING is administered at the end of the year.
- These assessments are not included in the Report Card.
- This assessment is administered from KG2 to Grade 8.
- If you need to know more about this assessment, please [Click Here](#).
- MAP assessments are done on a computer or tablet. MAP scores help teachers check student performance by measuring achievement and growth in Reading, Language, Science, and Math. Teachers use the results to tailor classroom lessons and set goals for their learners.
- ***All students will do the MAP Test on Campus. Remote testing will not be permitted to avoid any invalid data.***

We appreciate your support and continued partnership to help your child reach their potential for success on the MAP FALL Test.
