

IGNITE'S SCHOOL COUNSELING DEPT.

WELCOME BACK

Tips for a successful school year!

Welcome back to school!

I am excited to see each and every one of you and help you navigate through another successful school year!

Below are a few tips to help your child succeed:

1. Communication- Communicate with your child's teacher(s) on a regular basis. Creating this partnership is essential to your child's success.
2. Create a Schedule/Routine- Children are more successful with structure. Having a set time to do things such as homework, eating, bedtime, etc. help children to develop positive habits and organizational skills needed to become a successful adult.
3. Set goals- Setting a goal, both short and long term, at the beginning of each academic year will help your child to take action. It can also encourage critical thinking skills and problem-solving techniques.

For more tips, please visit [30 Tips for Parents and Teachers to Enjoy a Successful School Year](#)

Resources in Dubai
