

Summer Communication

Summer is flying by! We have only 23 more days until we welcome all of our new and existing students to the 2021-2022 academic year all day, every day!

PRIOR WEEKLY COMMUNICATION LINKS ARE AT THE END OF THIS MESSAGE FOR YOUR REVIEW.

Spread the word

Tell your friends and family about Ignite School and earn additional discounts through our [Parent Loyalty Program](#).

Finance

Parents are requested to visit the school for signing the payment plan and submission of Post-Dated Checks before **15th August 2021**. Post-Dated Checks (PDCs) must be submitted along with a Payment Plan to receive further details related to Student's class teacher and schedules for 2021-22. Please note that the **Term 1 Fee** is due on **29th August 2021**.

Our Admissions and Finance Offices have extended hours until 6 pm on Mondays and Wednesdays, as well as every Saturday from 10 am - 2 pm.

Elementary Message from Dr. Steve

On behalf of our Elementary School, I look forward to welcoming you to the 2021-2022 school year. Although we are still in the midst of the pandemic, this year's school opening is better than that of last year and with your help, we will ensure your child's success! We hope to be able to share full details about the opening plans within the next week or so.

I look forward to a productive partnership with you to ensure your child's goals. Our teachers understand that part of our children's success relies heavily on support offered from both home and school, and they realize that a strong partnership with you will make a great difference in your child's education.

I am optimistic that our common responsibility for our children's success will yield fruitful outcomes as we open the school year, no matter the opportunities we might face. See you on August 29th!

Middle School Message from Mrs. Sharin

Our new teachers are getting settled in this week! Soon we will have the teachers' bios ready to read on our website with their photos so that you can learn more about them.

We have curriculum materials being unpacked, and teachers are envisioning what their learning spaces will look like to welcome our Grades 5-8 learners back on August 29th. We will have a grades 5 and 6 team of teachers and a grades 7 and 8 team of teachers who specialize in content-specific subject areas to offer greater support to your child for increased academic success and achievement.

We are looking forward to supporting these teachers in their curriculum professional learning next week. Our returning teachers return on August 15th.

After School & Extra-Curricular Activities

We are excited to announce that we have partnered with the reputable Gulf Star that will provide extra-curricular activities, holiday camps, and other special activities here at Ignite School!

Parents will receive communication soon with the link to speak directly with a Gulf Star representative, book and pay for activities as well as answer any questions you may have.
