

## KEWEENAW SEED SWAP

Portage Lake Seed Library is hosting a special event!

Location: Portage Lake District Library

The Portage Lake Seed Library is located at the Portage Lake District Library (PLDL) at 58 Huron Street, Houghton MI 49931. Throughout the year, people are welcome to borrow (and/or donate) seeds from the library anytime the PLDL is open. Our first Seed Swap is an opportunity to learn from our neighbors and swap seeds with fellow gardeners. No experience necessary; come learn with us!
