

Heart of Triumph sculpture + Soul sculpture Idea Garden

“The art challenges the technology and the technology inspires the art.” – John Lasseter

The Heart + Soul Idea Gardens’s purpose is to foster a continuing and never ending conversation, exploration, of what the Heart + Soul of Silicon Valley is.

The Idea Garden will be a world renowned iconic space with creativity as its hallmark. The garden is an outdoor gallery, laboratory and playground where artists from all around the world are invited to contribute their works to ideas and the exploration of what the Heart & Soul of Silicon Valley can become.
