

The Basket: An Icon for Silicon Valley; An inspiration for a changed world. At the epicenter of innovation, in a time of worldwide solidarity, The Basket is immediately recognizable as a collective symbol. It represents the best of artful ingenuity, detailed labor and humble usefulness. The Basket is for everyone; Some create, some fill, others carry. It symbolizes creativity, generosity and abundance. Through principles of Regenerative Design and programming of the entire site, The Basket disrupts, democratizes and decolonizes. Naku te raurou nau te rourou ka ora ai te iwi. With your basket and my basket the people will thrive.
