White COLUMNS on both sides of the park create an open circular FORUM. Connected at the top by diagonal lighting fixtures forming an abstract cloud that generates an ORIGINAL CHROMATIC LIGHT SPECTACLE.

GLOBAL COLLABORATION designing a PROGRAMMING CODING is the essence of the EXPERIENCE. NIGHTS will be a UNIQUE DISCOVERY.

Columns support COMUNITY DECIBEL FREE SPACE ISLANDS high above the ground to be used as needed.

AFFORESTATATION as a RIPARIAN ECOSYSTEM of the terrain that is free of existing vegetation is to incite that all of the site becomes one.
