

**New world after this age will be a
REVOLUTION OF SCIENCES
SILICON VALLEY IS THE ICONIC CITY**

We are at the integrated situation of the life style and life. How it could be a revolution?

Age of the mars planet, age of the corona virus, pandemic and any other new situation,,,, we need cities that make feeling better, more better than pasts, silicon valley are going to be an utopia. Iconic city, iconic landmark.

We need hope. Making good ways for our future people. In peace and love. Our children should feeling better than us. They should to learn how to be a real human. Without having dangerous for each other and other people.

We need love. We need peace
