

# SILICON VALLEY TECHNOLOGY TOWER

**THE SILICON VALLEY TECHNOLOGY TOWER (THE TOWER)** WILL HOUSE A MUSEUM, AUDITORIUM AND OBSERVATION TOWER. THE MUSEUM WILL CONSIST OF PAST, PRESENT AND FUTURE GALERIES DOCUMENTING THE HISTORY OF SILICON VALLEY TECHNOLOGICAL ACHIEVEMENTS ALONG WITH PRESENT AND FUTURE TECHNOLOGICAL DEVELOPMENTS. THE AUDITORIUM WILL INCLUDE MEETING ROOMS AND ASSOCIATED FACILITIES DESIGNED TO SUPPORT EMERGING ENTREPRENEURS AND SILICON VALLEY RESIDENTS. THE TOWER ALSO INCLUDES FOUR LEVELS OF PARKING FACILITIES.

**DESIGN OBJECTIVES:** DESIGN OF THE TOWER COMBINES THE SPIRIT OF TECHNOLOGICAL DEVELOPMENT WITH A SENSE OF FUNDAMENTAL INNOVATIVE POSSIBILITIES FOUND IN THE SILICON VALLEY TO CREATE A POWERFUL AND PHYSICAL ICONIC LANDMARK OF URBAN IDENTITY. THE HOME WILL ENHANCE COMMUNITY LIVING BY SUPPORTING NET ZERO ENERGY DESIGN PRINCIPLES AND GREEN ENVIRONMENTAL PLANNING GOALS AND ACTING AS A CATALYST TO INVIGORATE THE GUALDALUPE RIVER PARK AND GARDENS. DESIGN OF THE TOWER IS BASED ON THE BELIEF THAT IT WILL BE A BEACON OF LIGHT TO SHOW HOW INNOVATIVE PAST, PRESENT AND FUTURE TECHNOLOGICAL DEVELOPMENTS HAVE AND WILL IMPACT AND IMPROVE COMMUNITY AND WORLD ENVIRONMENTAL CONDITIONS.

**TECHNOLOGY TOWER**
