

Landmark as memory

The stratification of time has been brought to a physical scale, bringing key dates for San Jose and the Silicon Valley in the space.

Landmark as mentor

Movement is what makes us live, it's the engine of progress. The tower acts like a wind turbine highlighting the topics of sustainability and dynamism.

Landmark as facility

From the underground spaces to the panoramic terrace, the tower wants to provide gathering spaces for everybody.

Landmark as a visual presence

The totem will be a large light-performance canvas, allowing complex light combinations to be visible from afar.
