

Light of the Valley is an outdoor community experience where professionals and families gather to celebrate innovation and communal spirit. Guests can admire past ideations and create future ones while collaborating, focusing on individual work, or taking a break from a hectic week in a landscape of interactivity. The central icon observation deck hosts a 360-degree view of the surrounding city. Visitors can stroll along an informative river walk, play games, or enjoy the nighttime light show spectacular. Light of the Valley will inspire everyone to collaborate and enjoy numerous activities in a lush entertaining environment.
