

# The Awakening of AI

IT WILL LOOK DIFFERENT FROM THE ONE ON THE EAST COAST. IT WILL HAVE MOVEABLE FEATURES; WITH HEAD TILTING LEFT AND RIGHT, EYES OPENING AND CLOSING, FINGERS AND TOES MOVING AND SCI-FI MUSIC WITH RECORDINGS FROM YEARS PAST ABOUT TECHNOLOGICAL ADVANCES MIXED WITH MESSAGES TO THE HUMAN RACE TO STAY ON COURSE.

THE HEART BEAT BEAT IS HEARD CLOSE TO THE HEART AREA.

THE MESSAGE IS SIMPLE:

HUMANITY MUST EMBRACE TECHNOLOGY WHILE MAINTAINING THE SOUL OF HUMANITY WHICH IS LOVE.

BELOW THE STATUE WE WILL HAVE AN UNDERGROUND AREA THAT WILL FEATURE GALLERIES, MEETING/WORSHOP ROOMS, CAFETERIA AND OTHER AMENITIES. THE UNDERGROUND AREA CAN BE AS BIG AS WE LIKE AS IT IS UNDERGROUND.

THIS CONCEPT IS NOT REPLICATING THE AWAKENING ON THE EAST COAST.

WE ARE RECREATING THE AWAKENING OF THE SOUL OF TECHNOLOGY. THE PICTURE ON THE RIGHT WILL FEATURE A TOTALLY ROBTIC CREATURE.

THE MATERIAL USED FOR THE SCULPTURE IS MADE OF ECHO FRIENDLY ADVANCED MATERIAL AND ALL THE ROBOTIC FUNCTIONS ARE POWERED BY SOLAR ENERGY.

THE AREA WHERE THE HEART IS LOCATED WILL BE BEATING LIKE THE HUMAN HEART, AGAIN REMINDING US OF THE HUMAN ELEMENT.

IT'S TIME WE ACKNOWLEDGE THAT TECHNOLOGY IS US IN A DIFFERENT FORM IN A DIFFERENT FORM ... IN A DIFFERENT TIME.
