

The Portal

THE IDEA BEHIND IT IS SIMPLE. WE BUILD THE LARGEST PORTAL IN THE WORLD. IT COULD BE MADE OF ONE CIRCLE OR SEVERAL EXTENDING OVER THE RIVER. DURING THE NIGHT, SPECTACULAR LIGHTING AND HOLOGRAMS WILL BE ON DISPLAY...ETC.

WHY A PORTAL?

BECAUSE ULTIMATELY WE ARE ALWAYS IN SEARCH FOR THE REASON WHY WE ARE HERE AND TECHNOLOGY IS OUR TOOL

THE SIZE OF THE PORTAL SHOULD BE IMMENSE CONSISTING OF AN OBSERVATION DECK AND LOTS OF AMENITIES.

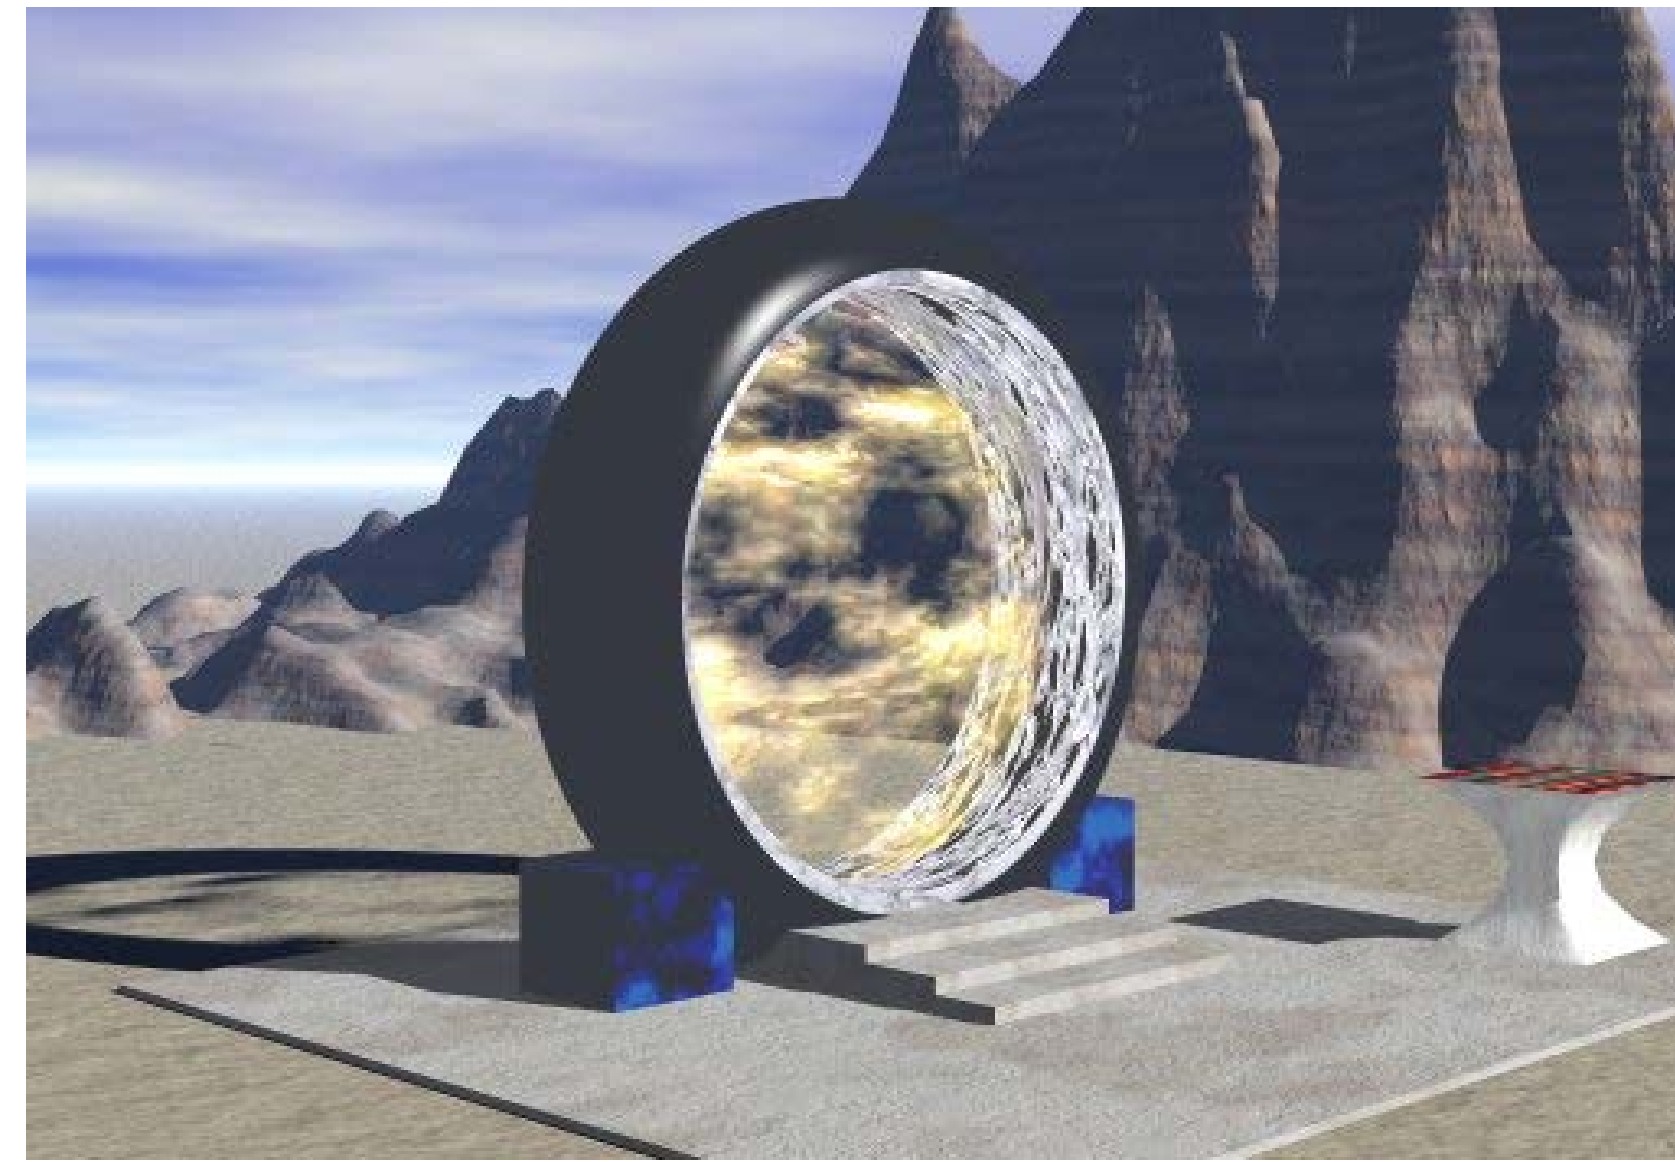

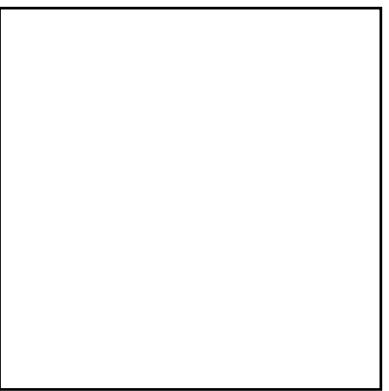

THIS GATE WILL ALSO ALLOW PEOPLE TO SEE IN REAL TIME OTHER LOCATIONS ON EARTH. OF COURSE IN A SPECIAL CHAMBER. PARIS THIS WEEK NEXT TO THE EFFEL TOWER. BUCKINGHAM PALACE LOCATION THE NEXT WEEK AND SO ON. AND THEY COULD INTERACT WITH THOSE PEOPLE AS IF THEY ARE WITH THEM. SATELLITE TRANSMISSION IS IN REAL TIME...ETC.

SPECTACULAR LASER DISPLAYS AND HOLOGRAMS OF WHAT HUMANITY HAS PASSED THROUGH FROM WARS TO INVENTIONS..ETC... WITH FUTURE HOPES AND ASPIRATIONS.

THE MAIN SOURCE OF ENERGY FOR THE PROJECT WOULD BE SOLAR AND/OR HYDRO.

THERE WILL BE UNDERGROUND FACILITIES FOR RESTAURANTS, GALLERIES AND VIDEO GAMES ROOMS.

The Portal

THE PORTAL WILL BE A TECHNOLOGICAL SHOWCASE OF MECHANICAL, ELECTRICAL AND LIGHTING „FESTIVAL“ EMITTING SIGNS OF PEACE ON EARTH AND THE UNIVERSE...ETC.
