

An Icon capable of telling a different story every night.

An outdoor space displaying the beauty of the San Jose environment and the Ingenuity of the San Jose spirit.

The San Jose Sphere of Influence project will incorporate the best of this area and place it in a dramatic and approachable space for locals and visitors alike.

A bridge spanning the creek will hold aloft a central sphere.

The sphere will illuminate after dark, a canvas for artists, designers, schools, businesses, sports teams to share new media to entertain and engage the people of San Jose.
