

Keystone Ring: **Project Summary**

San Jose is like a regional Keystone- linking surrounding areas into a whole. As the Urban center of the Valley, it can bring together the region's History, Technology, and Culture and form a new Urban community for the next Century.

Keystone Ring is designed to bring the San Jose community together and present the best of the city and Valley to the world. A new Unique Iconic Urban structure- the Ring Arch, together with park improvements- including a Fruit Orchard, and a Solar Orchard... tell the story of San Jose's Past, Present, and Future.
